

Single Family 3521 SQFT 4 Beds 3 Baths

PROPERTY DETAILS

Beautiful and spacious home with natural light throughout. Located on a quiet cul-de-sac, this two-story gem boasts 10-foot ceilings on the main floor, features a welcoming entry that opens to the formal dining room. Hardwood floors flow through main floor leading to butlers pantry and large gourmet kitchen. An entertainer's dream with a spacious kitchen featuring beautiful slab granite, stainless appliances, double ovens, gas cook top and coffee-bar. Main floor has a bedroom/study and full bath. Upstairs, you will find an expansive bonus room with coffered ceilings AND an expanded loft for an office, play room or workout area. The master suite features a spacious en suite with shower, soaking tub, double sinks and walk-in closet. Outdoor space features an impressive stamped-concrete patio and fire-pit area. Beautifully landscaped, park-like backyard on a spectacular .5-acre lot including Tuff Shed, fenced garden with raised-beds. The garage has 13-foot ceilings and 8-foot
