 3 Beds

 3/1 Baths

PROPERTY DETAILS

Gorgeous Townhome, light, bright, end unit, open floor plan, hardwood floors, high ceilings, & designer finishes! Gourmet kitchen features quartz counters, gas stove, island w/breakfast bar, gorgeous tile backsplash, soft close cabinetry, & stainless steel LG & Bosch appliances. The living room features a gas fireplace w/built in shelving and huge picture windows. Adjoining dining room opens up onto a lovely fenced back yard, prof. landscaped, perfect for entertaining! Main floor has private sun filled office & 1/2 bath. 2nd floor master suite w/five piece bath, walk in closet & sweet balcony. The second bedroom includes a full ensuite bath & large laundry room nearby. Additional flex space just outside the master is perfect for relaxing, reading & could easily function as a nursery or office, which has mountain views of gorgeous Colorado sunsets! Full basement w/guest/3rd bedroom & full bath, office space & family room. Exquisite finishes, nothing to do but move in & enjoy
