Townhouse 3179 SQFT 3 Beds 3/1 Baths

PROPERTY DETAILS

You'll love this luxury Tresana 2-story townhome, featuring gorgeous mountain views, vaulted ceilings and 4 patios. These are dream sellers with a home that is so clean, well cared for and neat as a pin. Upstairs is a master suite with a balcony, spectacular views, a river rock 5-piece master bath and spacious walk-in closet. Also upstairs is a second bedroom, complete with en suite full bath and a well appointed laundry room with cabinet storage and sink. On the main level is a large kitchen with SS appliances, quartz counters, double oven and a large kitchen nook. The family room is open & full of light with vaulted ceilings, fantastic views, fireplace, and prewired for surround sound. The large balcony patio features a powered sun shade for bright days. The lower level features a media room with a 2nd f/p, patio, unfinished storage and a private bedroom with a full bath. New carpet throughout and dark hardwoods on the entire main floor. This home is move in ready and won't last!
