

Single Family

4214 SQFT

3 Beds

2/1 Baths

## PROPERTY DETAILS

IT HAS AN ELEVATOR and shows like a MODEL HOME! Over \$30K in recent upgrades including new oak floors on the main level, new carpet on the second level and new paint throughout. Beautiful gourmet kitchen with granite tile counters, an island with bar seating and a butlers station! It includes a main floor study with three large bedrooms upstairs plus a large second floor laundry room and loft overlooking the main floor. Enjoy all that Colorado has to offer with outdoor living on the covered front porch and TWO decks. Additional features include an over-sized 2 car garage with a lift and a 1388 square foot unfinished basement.
