PROPERTY DETAILS

Look no further! This absolutely Gorgeous two story 5 bedroom, 6 bath home with a professionally finished basement could be yours. Every upgrade and detail was meticulously put together. If you want a home that your friends and family will talk about. This is it!! Beautiful hardwood floors gleam on the main floor and are accented by plantation shutters that run throughout the home. The chef's kitchen offers SS appliances, double ovens, oversized granite island & countertops, beveled subway tile backsplash, large butlers pantry and so much more. Custom wood built-ins throughout the home and office along with glamorous light fixtures. Open floor plan with tons of large windows. Sliding doors extend the entire dining area opening to the perfect backyard that includes a built-in kitchen. Every room feels like a suite in size. Professionally finished basement is an entertainers dream, with wet bar, theater room, game room, another master suite and bathroom.
