

Spectacular Updated Home in Morse Park!

 Single Family  1283 SQFT  3 Beds  2 Baths

PROPERTY DETAILS

Wow! This is a must see... 'farm to table' living minutes from downtown! 3 bed 2 bath on .24 acre lot. Updated kitchen with stainless appliances, new cabinets, back splash, faucet and counter tops. New LED light fixtures throughout. Remodeled and updated baths. New water heater 2018, new roof 2017, new wood burning stove is EPA approved. Newer windows and new exterior doors in back. Central AC and new insulation keeps home cozy in winter/cool in summer. Solar panels are fully owned and significantly help with utility bills. New springs and rollers on garage door. The back yard is a southern exposure oasis year round. Entertain or relax on the newer back deck with awning, next to Koi pond and fire pit. The irrigation well provides all the water you'll need to keep the lawn green and grow plants to your heart's desire. The area behind cedar fence is the fabulous garden. Plus this home is just a few blocks from bus line, light rail, park, shopping and dining.
