PROPERTY DETAILS

This light and bright home is just steps away from parks and trails in beautiful Highlands Ranch. Beautifully updated throughout; the kitchen features white cabinetry with granite counter tops, stacked stone backslash and stainless appliances. Hardwood floors run throughout the main living areas. Both baths feature marble counter tops and new tile. The family room has a brand new gas fireplace with slate surround and a tongue and groove accent wall. Fresh paint inside and out. Enjoy the mature trees and green grass from the back patio. The unfinished basement is perfect for a fourth bedroom, bath or a game room. New roof, furnace, appliances, light fixtures and so much more. Every room has been meticulously updated.
