PROPERTY DETAILS

Beautiful spacious 2 bedroom + flex room, 3 bath townhome with 2 car garage. This home is situated in a small enclave of townhomes in Perry Park perched up high for maximum views. Open floor plan with massive stone gas log fireplace, wall of glass windows/doors to enjoy the great outdoors. Very private enlarged back deck where you will undoubtedly enjoy countless hours soaking up the amazing landscapes and wildlife. This home is very well maintained and current with updates including new stainless steel appliances, laminate wood floors, new tile floors in master bath, new fixtures, and more. The architecture throughout this home lends an artsy flair with tongue and groove wood plank ceilings, vaulted ceilings, brick floors at foyer, loft space and overlooks from both bedrooms, 4 outdoor living spaces! This is a MUST SEE home that you will love! Call Lauren for your private tour (720)312-2514.
