PROPERTY DETAILS

Located on a large corner lot, this spacious open floor plan offers a formal dining room, living room, cozy family room with fireplace and a private study perfect for a home office. Completely updated kitchen with a huge island and large adjacent breakfast nook. In addition, you will have plenty of room with the walk-in pantry and a secondary office area. An expansive custom mud room and main floor laundry offer ample storage. Retreat the to the master suite with quiet, private sitting area, luxurious master bath, and large walk-in closet. The three additional bedrooms down the hall share a full bath. The professionally finished basement is complete with a media/gaming area, exercise space, wet bar, extra storage and bonus room. Enjoy the custom built shelves and cabinetry throughout the lower level. Let's not forget about the lovely outdoor living spaces this home offers! Relax on the back deck surrounded by mature Aspen and Pine trees that offer beauty and privacy or enjoy the rare covered front porch. The low maintenance yard also offers a basketball court!
