PROPERTY DETAILS

Enjoy the beautiful sunrise in the morning or settle down in the cool evenings out side while you barbecue out on the front porch that faces the greenbelt. Open living space on the main with unique built in shelving around the dining area give this place a great feel. The powder room on the main floor makes it easy to entertain guests. Each bedroom has great natural light and their own private full bathroom. Enjoy movie nights in the finished basement or make it a second hang out space. Large washroom in the basement includes built in wall cabinets with great storage space. There is also an additional unfinished space that has partially been turned into a workshop. Enjoy the amenities of Sapphire Pointe! Great neighborhood pool and clubhouse in the center of the Sapphire Pointe neighborhood and the large park is sure to tire any little ones just a short walk across the street on Sapphire Pointe Blvd. Short distance to schools. Easy access to I25 and Parker Road. Unit has 1 garage.
