PROPERTY DETAILS

A beautiful Mid-Century Modern Ranch sitting on a well maintained 9520 sq ft lot. This 1715 sq ft home has 3 good sized bedrooms, custom closet in master, and an open and bright floor plan. Interior and exterior are freshly painted. The bathroom and kitchen are recently updated. Great location, close to many conveniences such as Cherry Creek and Colorado Blvd shopping and dining. Just blocks from the enclave of Krisana Park without the premium price. Enjoy Colorado weather in the huge fenced backyard with mature trees and landscaping, beautiful roses, lawn, large trees, and mature plants.
