PROPERTY DETAILS

The Perfect Package. Every inch of this property is well thought out and beautifully executed! A covered patio greets you after you walk by the nearly maintenance free front yard with no grass. There are cherry hardwoods extended from the entry to the formal living and dining areas and hall and family room! As you walk into the updated kitchen with soft close doors, silestone countertop with newer backsplash, you will notice the soothing sound of the waterfall in the backyard from the eating space! The backyard also is super low maintenance and private with a covered patio and a pergola to enjoy the quietness and calm serenity of the waterfall feature. No lawn mower needed here with no lawn to aerate, fertilize, water, mow and edge!

This home boasts a 3 car garage. Steps away from open space with trails, the park and Westminster recreation center.. Easy access to Boulder, Denver and DIA and restaurants and shopping!. NO HOA! Meticulously updated and cared for! Just move
