## PROPERTY DETAILS

Beautiful Tri-Level home on a large lot in the heart of Northglenn has lots of room for entertaining family and friends both inside and out. This rare and great floor plan has tons of living space on all three levels.

On the main floor is the kitchen w/breakfast area and separate dining room. Just off the kitchen is the family room w/wood-burning fireplace where you can access the patio and large fenced-in backyard w/outdoor pool and play areas. The upper level has 3 bedrooms including master ensuite. The lower level has a large family room, bedroom, laundry area and is plumbed to add a 4th bath.

Other great features include gorgeous double door entry, decorative wood paneling that add warmth and style to the dining and family room, attached two-car garage and LOCATION...this home is within walking distance to schools, parks and trails, is minutes from NW Open Space athletic complex and just a stone's throw from the backyard to Farmers Highline Canal walking and biking trail.
