PROPERTY DETAILS

Over \$50k in upgrades to remodel basement in 2018! Just this week over \$10k in upgrades to flooring and bathroom on first floor. This highly desired Murphy Creek neighborhood offers plenty of amenities for everyone to enjoy. This home sits on the 16th fairway of Murphy Creek Golf Course. Just imagine waking up on Saturday morning to the sun coming up, sitting on your walkout balcony, enjoying your cup of coffee overlooking the golf course & mountains. The immaculate 5 piece master bath will help melt away stress from a long day. The upper level laundry room offers added convenience. This home features a formal living and dining room, main floor study/kids play area, granite tile counter-tops, gourmet kitchen, stainless appliances, upstairs loft / office and soaring ceilings. The finished basement has a fourth bedroom, full bath with subway tile, porcelain flooring, reading nook, formal dining, family room, walk in closet and a center island. Be the first to see all the upgrades!
