

Single Family

1200 SQFT

3 Beds

1 Baths

1 Car

0.18 Acre

## PROPERTY DETAILS

Pride of ownership is clearly evident in this lovely, well maintained and recently updated three bedroom Ranch home. All new appliances throughout with new granite counters in kitchen and bath, with refinished hardwood floors. Added on Colorado room gives an extra 300 sq ft of 4 season enjoyment. New electric service panel and too many other upgrades to mention here! Back yard is a gardener's dream with fruit trees and raised beds for planting vegetables.
