

Single Family

3874 SQFT

3 Beds

2/1 Baths

PROPERTY DETAILS

If you love private settings and quiet, peaceful serenity, this 2-story home with a lower level walk-out has plenty of space for everyone. The main level is open with a two-sided gas fireplace, high ceilings and walls of windows offering natural light. The kitchen is complete with hardwood floors, Sub-Zero refrigerator, Viking stove, pantry, center island and desk area. The expansive deck with log accents is perfect for watching the local wildlife or for gazing at the night sky. The upper level has 2 bedrooms with a Jack and Jill bath plus a Master Suite with incredible views. The lower level family room has a cozy gas fireplace and an unfinished studio and plenty of storage. Quick 10-15 minute commute to I-70!!
