## PROPERTY DETAILS

Stunning home with a unique floorplan in Centennial's Highlands neighborhood. A large entry with travertine floors greets you when you walk in the door and leads you into the home's great room, featuring a 2 story vaulted ceiling, gorgeous wood beams, a gas/brick fireplace, a concrete counter bar, modern hanging cabinets & quaint storage under the stairs. The kitchen also has travertine flooring, granite countertops, Kitchen Aid stainless steel appliances, pantry & breakfast nook. The dining room is adjacent to the kitchen & walks out onto a covered patio. There is also an updated powder room & laundry/mudroom on the main level. Upstairs is a large master retreat with a covered trex deck, new fan, & updated master bath. There are 2 additional bedrooms, a hall bath & laundry chute. The basement has carpet, a new HVAC 2018 and radon mit system 2015. Oversized, 2 car garage finished with an epoxy floor. So many updates in this well cared for home!
