PROPERTY DETAILS

This perfect Colorado foothills home sits on a wooded hillside with breathtaking views of snow-capped Mt Evans and Flying J ranch! Enjoy your quiet & private 5 acres while taking in the beautiful scenery, smells and sounds on your large west facing deck. A bright and vaulted entry welcomes you to an open floor plan of wood beams and a stunning river rock stone fireplace with instant views from the second you walk in. Enjoy cooking in the gourmet kitchen, (while staring at the view!!) with stainless appliances, gas cooktop, island & walk in pantry and granite countertops and antiqued cabinets. Main level includes the large Master bedroom suite complete with a large walk in closet and 5-piece bath. Lower or walk out basement level includes a large family room/rec room with 2nd stone fireplace & pool table, 3/4 bath and bedroom and ample light- area for storage and wine! Only a 3 minute drive to HWY 285 & only 20 minutes to C-470/ the perfect mountain home- with easy access to the City
