

 Single Family

 2800 SQFT

 5 Beds

 3 Baths

PROPERTY DETAILS

Pristine 2 story home with an open floor plan and high ceilings in a quiet gated community. This home features a stunningly updated kitchen w/quartz counters, porcelain floors throughout 1st floor, wood flooring upstairs, freshly painted, crown molding through out, newer A/C, newer appliances, accordion shutters, great backyard for entertainment with a pool & spa and a large drive way that could easily accommodate 6 cars. This Must-See home is close proximity to I-75, restaurants and shopping centers. One bedroom and full bathroom on the 1st floor with Master bedroom upstairs offering an enormous walk-in closet and views overlooking the pool and spacious yard. Easy to show
