PROPERTY DETAILS

Welcome to this absolutely stunning custom home in the most desirable neighborhood in Erie, Candlelight Estates! This beauty features Rocky Mountain views from almost every room in the house! Highlights presented by the sellers include a complete remodel this year of all bathrooms, an over sized built-in counter depth side by side refrigerator, grand kitchen island, quartz counter tops throughout, radiant floor heating in kitchen and master bath, a wet bar off the family room, newly finished hardwoods, vaulted cedar ceilings, exposed wooden beams, modern light fixtures, gorgeous landscaping, over sized 4 car garage with additional storage and a separate work space. Other improvements completed this year included New Class 4 shingles, construction of a new patio cover off the dining area, new metal roof, gutters, new windows, the list goes on! Close
