 4 Beds

 2 Baths

PROPERTY DETAILS

Bi-level home on a large lot, with beautiful hardwood floors and saturating natural light! Enter into the spacious living room and open-concept kitchen with Corian countertops and views through to the backyard. The expansive backyard features a deck and built-in grill area, perfect for outdoor entertaining! Two bedrooms and one full bathroom on the main floor, two bedrooms and a second full bath in the lower level. The third room on the lower level could be a large office or additional family room. Laundry and utility room in the lower level and oversized garage with plenty of room for storage or your favorite hobby. While still private, this location has everything you need surrounding it, close to shopping centers, the mountains, and near Charles Winburn Park with pond and gazebos and Elanor Wyatt statue park! You will love the character of this home, it is charming and inviting with tons of potential!
