## PROPERTY DETAILS

Ideal location and floor plan in this nicely remodeled Lowry home. You'll love the remodeled kitchen with large island, white cabinetry & counters, SS double ovens, gas cooktop, wine and bev fridge and pantry! Well appointed basement with wet bar, full bath, legal bedroom, fireplace, game area, lots of large windows and it can all be used as a separate rental unit, with interior and exterior entrances that averages \$1400 a month! Or use it as your own entertainment oasis. Main floor bedroom/office and full bath. Family room opens to kitchen and back yard and has a gorgeous fireplace. Grand entry with two story vaulted living room and dining, main floor has 9ft ceiling and hardwood throughout. Second level boasts a huge master suite with giant walk in closet, luxurious bath with 8ft, double sinks counter, shower for two and soaking tub! Also on this level are two additional bedrooms with a jack n jill bath and a laundry room. Great fully fenced back yard with pergola, patio and mature trees. Massive 8.775 kW solar system provides more than enough to power the home, save you thousands and help save the earth too!! The home and the park are incredible, especially at this price point but the best part is the neighborhood! Friendly walkable community, beautiful and quite tree lined streets and with Lowry Beer Garden, Rocket Ice Cream, Air and Space museum, grocery, restaurants, shops, fantastic rec center and pool - all within a 20 minute walking distance! Plus close to Stapleton, Cherry Creek North, ect. You're going to love living here!
