

**PRICE IMPROVEMENT! BEAUTIFUL TOWNHOUSE - BEAUTIFUL NEIGHBORHOOD!**

## PROPERTY DETAILS

This beautifully updated 2-bed, 2-bath end unit condo has plenty of charm. The open living area has vaulted ceilings and a gas fireplace which can be enjoyed from both the kitchen and dining areas. The large sitting balcony is accessible from the living room, faces south and overlooks the pool and hot tub areas. Two great sized bedrooms offer plenty of privacy and space, with the Master boasting dual walk-in closets, and an updated 5-piece bath. The large second bedroom adds flexibility for guests or an office with an updated guest bath. The laundry room is conveniently located with plenty of storage space throughout. NOTE: There are more than \$45K worth of improvements in this unit including new black stainless-steel kitchen appliances, lights, ceiling fans, 95% efficient furnace, air conditioner, tankless water heater, smart thermostat, windows, and a chair lift from the attached, dedicated 2-car garage to the main living area.
