

Pristine story & 1/2 that lives like a ranch w/ a 750 SF workshop

 Single Family

 4271 SQFT

 4 Beds

 3 Baths

PROPERTY DETAILS

Immaculate stucco story & 1/2 that lives like a ranch w/ a main floor master retreat & En Suite (picky buyers thought you needed to buy new, come see this home first)! Designer finishes throughout including Italian tile flooring, hand troweled walls, 8 foot interior doors, custom mirrors & premium cabinetry throughout. Elegant master bath has a spacious walk in shower that includes a custom hand poured shower pan & bench seat. 2nd bedroom on the main would also make a great study & is conveniently located next to the full bath. Gourmet kitchen is open to the over sized great room and has a large eat-in over sized island. Complete w/ soft close cabinets, rolls outs, slab granite, under cabinet lighting, stainless appliances, gas cooktop w/ griddle & downdraft, convection oven & pantry. Your going to love the 40X10 covered back patio w/ dimmer lighting, prewired for surround sound & beautifully maintained yard. Access your back patio from your great room or your master slider. Bedrooms 3 & 4 are conveniently located upstairs w/ a full bath that includes dual sinks. Don't miss the 750 SF workshop in the basement w/ abundant space, lighting & 220V. Over sized 3 car garage w/ hot & cold water bib. New hail
