PROPERTY DETAILS

Beautiful 4 Bedroom, 4 Bathroom, 4100 square foot, 2-story home in Wildcat Ridge. Hardwood floors throughout the main level. Contemporary kitchen features modern white cabinets accented with granite counter tops and black appliances. The kitchen opens into a spacious yet comfortable family room, which offers a coveted open-concept living environment. The home includes whole house audio in the family, living and dining rooms featuring a Bose TS400 console and speaker system. You'll enjoy dinner parties and holiday gatherings in the formal dining room. The main level floor office/study could also be used as an additional bedroom.

Smart home features a Honeywell thermostat that is remotely accessible/programmable via smartphone or tablet and a 7-camera surveillance system also accessible through the internet.

The 2nd floor Master bedroom features an en-suite bathroom with separate shower, soaking tub and double vanity. The walk-in master closet is accessible through the bathroom. Also on the 2nd floor are 3 additional, well-apportioned bedrooms and a full bathroom with dual vanities.
