PROPERTY DETAILS

Welcome home to your beautiful mountain getaway! Prepare yourself to be completely captivated by the amazing views! This home is warm and inviting, with a great open floor plan, and views from almost every window. This home features 3 bedrooms, all located on the upper level, 4 bathrooms, and two flex rooms. The kitchen has beautiful alder cabinets, granite countertops, and stainless-steel appliances. The main level flows right out to a new partially covered beautiful deck that is perfect for outdoor entertaining, or just sitting and taking in the amazing views. The master bedroom upstairs has its own deck where the views just get even better! The basement features a comfortable home theater area, where you can relax and kick back and watch your favorite movies. For those who really want to sit back and relax while taking in the view, there is a deck right outside the theater room, where you can sit and enjoy the view while sitting in your very own hot tub! Look no further, this is mountain living at its finest!!!
