PROPERTY DETAILS

Mountain views from your family room, 2 wood burning stoves not your typical cookie cutter home or neighborhood, great location tucked away back on a cul-de-sac. Tired of paying high storage rates for parking the RV, boat or work trailer? This 4 bed, 3 bath bi-level located in the Memmens subdivision is HOA free and has a long unpaved parking space w/ electric for your RV, conveniently located next to your driveway. Oversized .21 acre lot gives plenty of room for the kids and dogs to run and play. Large dog run in the backyard & shaded covered patio for those hot summer nights. Pergo & tile flooring on the main level & stairs makes for quick and easy clean up! The lower level has new carpet, luxury vinyl & paint. Not a remodeled home, the yard definitely needs work, this home is move in ready for those that are less picky. Fidelity Home Warranty included. The furnace has been inspected, cleaned & certified to be in good working order.
