PROPERTY DETAILS

Beautiful home ready for entertaining all friends and family. Equip with open concept on the main level and in the basement. This home sits on the corner of the cul-de-sac on more than 17,000 sqft of land. This impressive five (5) bed, seven (7) bath home has plenty of space for living. Each bedroom is a master. The fully finished basement has a theatre/media room, screen and projector installed, (3) mounted televisions (all connected to the established media system), a wet bar, and a relaxing family seating area. When the weather permits, the backyard has a large balcony overlooking its beautiful stained patio with breathtaking views of Downtown Denver and the Mountains. We want you to own this home for you and your family.
