 5 Acre

PROPERTY DETAILS

Welcome to Colorado Country living at its finest and minutes from Denver! This Adobe style ranch, with modern architectural details sits on over 5 acres with sweeping mountain views in stunning equestrian community. Majestic hallways and vaulted ceilings will welcome you to a warm and open home. The main level has a Formal Dining Room, an immaculate Master Bedroom Suite, a front Office, and a Laundry/Mud Room. The hardwood floors have been recently refinished and new carpets in the bedrooms installed. Exterior of the house has been completely re-painted with a 2019 roof installed. The bright and open family room has a wall of windows and a gas fireplace. Enjoy the fresh air and views from the main deck exiting from the breakfast nook, or back porch accessible from the master bedroom. The walk-out basement comes with a wet bar in family room and three additional bedrooms. All basement rooms are bright and airy. Build a small barn and bring your horses or board them at community stables and call this place your HOME
