

 Townhouse
  1224 SQFT
  2 Beds
  2/1 Baths
  1 Car

PROPERTY DETAILS

Love to ski, hike and/or mtn bike? Perfectly located, recently updated immaculate townhome within 90 min of 6 major ski resorts/areas. This property offers 2 bedrms both ensuite, and 2-1/2 baths. Oversized 1 car attached (access thru lower lvl) garage large enough to stow all the gear. Open concept modern kitchen w/granite countertops & ss appliances. Gleaming hardwood bamboo floors thru-out. Large covered private deck to enjoy spring, summer and fall, is perfect for entertaining. Large outdoor locking storage room for more gear on upper deck. Lower level covered patio to enjoy. All major utilities; furnace, a/c & water heater are only 3 years old. Freeway close for getting to mtns and easy access to It rail (approx 1 mile) for stress free ride to downtown Denver. Quiet setting for this end unit with nothing above or below, with hiking trails less than 1
