PROPERTY DETAILS

Don't miss this stunning like new Parkwood home across from open space and trails! An abundance of light and flowing floor plan welcome you into the heart of this home where you will find the living room with gas fireplace that opens to the kitchen and dining spaces. The well appointed chef's kitchen is an entertainer's dream with custom built cabinetry, 6 burner Viking gas cooktop, double oven, butler pantry with prep sink & second dishwasher and oversized center island with breakfast bar. The main floor also offers a study, guest bedroom, laundry room and 3/4 bath complete with crown molding, hardwood floors throughout and custom interior paint. The second floor boasts an open central loft with powder room, master suite and 2 additional bedrooms with a jack & jill bath. Enjoy the warm spring nights on the covered back deck or watch the sunrise over the meadow on the front porch! And beyond the existing beauty of this home, the potential for growth is unlimited... the unfinished basement with 10ft ceilings awaits your future design and the oversized 3 car tandem garage was built with the option to convert to finished space in mind. The tandem section has a private entrance, 6 windows, gas heat, hot & cold water, a floor drain and full insulation... it could be a nanny suite, kid's game room, in-law suite, rec room or anything you can imagine! 3-D Interactive Tour Available at: <https://vrtourhosts.com/listing/24292>
