PROPERTY DETAILS

Highly desirable Applewood Village tri-level home fully remodeled in 2017. Kitchen and main room have vaulted ceilings and exposed beams with track lighting above a large kitchen island. Appliances are new stainless steel and kitchen has granite counter tops. Large windows allow in abundant natural light with custom-made window coverings. The open floor plan is great for hosting company. The front door opens to a quaint family room with a brick wood burning fire place leading into a powder room and laundry room. Upper floor includes a full bathroom and 3 bedrooms. The master bedroom has a 3/4 bathroom and an over-garage, south facing balcony to enjoy coffee and CO sunsets. The finished basement has an additional bathroom and can be converted into a 4th bedroom if desired containing an egress window. Large backyard has a 2019 built fence and covered patio great for barbecuing. Close to new shopping centers, restaurants and I-70 for easy access to the mountains/ downtown Denver.
