PROPERTY DETAILS

Mrs. Clean really does live here, original owners in nearly brand spanking new home it is move in ready and in immaculate condition! Why wait for a new construction home build, this one is even better than brand new - all the upgrades and move in ready just waiting for you!! Such an amazing home built in 2017 with upgrades galore including 9 foot ceilings, 8 foot doorways, bamboo wood floors, stainless appliances, granite countertops and a main floor master suite with natural light and timeless finishes. Master has gorgeous open concept flowing into a private sitting room closed off with custom barn doors, bonus large walk-in closet, extra large walk in shower, a must see to truly appreciate! Graciously proportioned rooms with a vibe that is both charming & classic. Additional master suite upstairs with full bath and a large loft area great for entertaining. Another bedroom (could be your home office) on the main level with a full bathroom. The kitchen has a gas stove and double fridge and opens to the family room fit for living and made for entertaining. The double sized outside patio has plenty of room for bbq's in the summer or just watching the sun set or rise. Enjoy the apple, plum and peach trees in the backyard along with a raised flowerbed hosting ever bearing strawberries. Move in ready, this home is so much better than waiting on a new construction, everything is completely done and with impeccable taste custom window sunshades, upgraded bamboo
