PROPERTY DETAILS

Welcome home to this adorable, move in ready condo in The Timbers. This immaculate unit was only lived in a few months a year since being updated in 2017 and has it all; low maintenance laminate wood-like flooring, window treatments, paint, furnace, water heater, all new in 2017. The large open living space has a wood burning fireplace, and french doors that open to your private patio oasis. The large bedroom has a wall of closets, sliding doors that also open to your patio oasis. The big, beautiful bathroom has a large walk-in shower. Laundry room is in the unit and washer/dryer stay! This one also comes with a deeded, covered parking spot! East facing patio gets great morning sun and is cool in the afternoon, the perfect spot to unwind after a long day. Great location, walking distance to restaurants, shopping, and public transportation. Easy access to I-225, DTC, light rail, Cherry Creek State Park, and only 30 minutes to DIA. Very desirable area and location within the complex! Reasonable HOA fees. Why rent when you can own! Schedule your showing today!
