

Cute Condo at an Amazing Price!

Condominium

895 SQFT

2 Beds

2 Baths

0.19 Acre

PROPERTY DETAILS

Step inside to this cute condo with an open layout, lots of natural light, and the perfect price! Finally a floor plan that has enough space for everyone with two full bathrooms, your laundry in the unit, and a private patio for extra space. Entertaining will be a breeze with the spacious living room and charming fireplace and the Master bedroom will not disappoint with a walk in closet and separate patio entrance. Additional perks are the included stackable washer and dryer, mostly updated appliances, and extra storage closet on the patio for all your Colorado outdoor gear. Neighborhood amenities that will be a hit are the pool and clubhouse and this home is perfect for commuting access! At this price you will need to schedule your showing today before it's too late!
