PROPERTY DETAILS

This immaculate mid-century modern home is nestled among maturing fruit trees creating its own private oasis. Perfectly located on a quiet cul-de-sac, while being moments away from the popular Sloans Lake Park, restaurants, bars and a short jaunt to all that downtown Denver has to offer. If this perfect location and lush retreat surroundings aren't enough, the interior boasts of a thoughtful designer's eye. Gorgeous updated bathrooms, immaculate kitchen overlooking the private scenic backyard and open concept living area. Custom designed window treatments, lighting and colors adorn this home. Lucky you, all mid century modern furnishings are negotiable. Also noteworthy is the easy commute to work or escaping into the Rocky Mountains on 1-70/6th Ave.

This home is a gem and will not last long in this hot neighborhood!
