PROPERTY DETAILS

Welcome to this beautiful updated home in the popular Highland Park South neighborhood. The main floor offers lots of great living space with a formal living room, dining room, large kitchen with stainless steel appliances, and separate eating area that leads to the beautiful backyard. Upstairs you find a spacious open and bright Master bedroom with updated en suite bathroom with double sinks and large shower with dual shower heads. 2 additional large bedrooms with a remodeled full bathroom and loft area with built in shelves perfect for office or play area. Lower level offers a cozy family room, 1/2 bath, laundry area and exit to the garage. The basement has a 4th bedroom, lots of storage and has a rough in to add the bathroom of your choice. This large lot has so much to offer with the mature trees, lush grass, and deck all perfect for those beautiful Colorado summer days and evenings. Great community, close to the park and top rated schools. This home also has an oversized garage with lots of storage, newer furnace and solar panels that are owned, not leased to help keep your utility bills low. Come check it out and make this your next home!!!
