PROPERTY DETAILS

Gorgeous condo near Cheesman, City and Congress Parks with almost 900 sq feet of bright and sunny finished space! 1 huge master bedroom with exposed brick and expansive ceilings plus a bonus room off the living room for a library, office, nursery or home gym. Freshly painted, gleaming hardwood floors throughout the unit. New stainless appliances, granite counters and eating counter space in the kitchen. Open floor plan feels bigger than the square feet listed! The bathroom has beautiful stone counter tops, an over sized jacuzzi tub for soaking, generous storage and cabinets! Laundry is in the building and use of the washer and dryer are complimentary, conveniently located downstairs. This unit also includes the largest storage unit in the building. The HOA fee includes all utilities and the building boasts of a new roof, new exterior paint, boiler upgrades, new sidewalks and a new buzzer entry system. Terrific and convenient location close to three of Denver's most beautiful parks, restaurants, night life, shopping and the Carla Madison Rec center just blocks away with an indoor pool, lazy river and over 67,000 sq ft of workout space! Easy bike or drive into downtown from this oasis in the city, in the heart of all Denver has to offer!
