PROPERTY DETAILS

This gorgeous condominium with an abundance of windows is bathed top to bottom with natural light. A spacious open floor plan with cathedral ceilings is perfect for entertaining or relaxation. Beautiful hardwood floors, original architectural detail with modern updates defines the character of the unit. The updated kitchen features matte finish granite counter tops, stainless steel appliances, downdraft ventilation system, and a large kitchen island with gas cooktop and breakfast bar. The dining space has a contemporary gas fireplace insert. Chic floating shelves grace the living area. The master bedroom has an exposed brick wall and traditional gas fireplace with windows opening to the lower living level. The 5 piece bath has a stunning custom concrete double sink vanity and a jetted tub. The complex has an inviting common area for outside relaxation or BBQs. One deeded parking space is provided in the secure underground garage with a deeded storage space. Conveniently located on the edge of Downtown Denver offering walkability to shopping, restaurants and entertainment and transportation.
