## PROPERTY DETAILS

One of a kind, custom built home and entertainers dream situated on over an acre. This truly unique home was recently remodeled to include over 4,000 sq ft of hardwood floors, stainless steel top of the line appliances, and a completely new set up for the expansive indoor pool including new heater, pump and filter. This 6,000 sq ft home is equipped with a built in sound system, spacious deck off pool room, and wet bar perfect for social gatherings. Beautiful Southwestern Wood Vigas adorn the ceiling in the main room, and natural light floods the room to provide a wonderful living space. This home offers a stunning master suite with lofted area, wood burning fireplace and wet bar. With four bedrooms and four bathrooms, there is plenty of room for all of your guests or family to enjoy this little mountain escape!
