PROPERTY DETAILS

Beautifully updated home across the street from Village East Park & Elementary school! Gorgeous oversized corner lot on with a cul de sac location. A covered porch with relaxing porch swing overlooks the park and graces your entry. Inside, hardwood floors, upgraded carpet & ceramic tile provide the flooring, and the excellent paint means that this home is in move in condition. Bay windows front & rear add elegance to the living room and cozy breakfast nook. The kitchen has upgraded stainless steel appliances (including a gas stove) and granite countertops. Custom windows add light and style to the family room along with the crackling fireplace. There's a large sunroom off the family room, with easy access to the manicured backyard. A finished basement with another family/game room, non-conforming bedroom, laundry and storage means that you have over 2900 finished square feet to call home. Easy access to DTC, downtown, Anschutz Medical Campus, Buckley AFB & DIA. Close to Cherry Creek schools for all ages. Shopping & dining are nearby at the gardens on Havana, and Utah Park & indoor pool are just blocks away too. This home is a one of a kind that you must see to appreciate, so don't delay! Showings begin Saturday at 9:00am.
