PROPERTY DETAILS

You will fall in love with this charming cabin- The Oleo Cabin! You will feel at home as you walk through the front door into the living room with a cozy fireplace. The den is very spacious with a dining room table and has extra seating to look out at the mountainous views. You can cook dinner in the kitchen with an electric stove or on the nostalgic antique wood burning stove. The bedroom has great views and a nice area to sit and read a book. The bathroom has a incinerating toilet, or you can use the outhouse with the marine toilet. The deck is spacious with great views where you can enjoy your morning coffee, a nice dinner and cocktails to end your evening. There is a 750 gallon water tank underneath the deck, and plenty of storage space with a shed and a couple crawl spaces. Gray water goes out to the side of the house from the bathroom. All furnishings are included with the purchase and will be sold AS IS. This cabin can be a great summer home or could be converted to a year-round home.
