Beautiful kitchen with white cabinets and quartz counters, large eat in island, gas stove, marble and tile backsplash and stainless steel appliances. House has 1600 square feet of solid hardwood flooring. Kitchen is open to dining area/den with working gas fireplace. The master suite has a brand new bathroom with luxurious marble tile shower enclosure, dual sink vanity and new tile floor. Upstairs laundry closet off master. Solid hardwood floors in all 3 upstairs bedrooms. Basement is completely finished with a newly created bath accessible from bedroom and large den. Large lot with generous sized back patio and yard.
