PROPERTY DETAILS

Over 10 acres of gently sloping, sun-drenched forest with wonderful valley views. All the peace and quiet you want in the mountains and yet it's only 30 minutes to C-470! Multiple building sites on this parcel, and a lot of the work has already been done for you. Well and septic engineering are complete, as well as a good portion of the driveway grading. A well permit is already in place, it just needs to be drilled. On a quiet cul-de-sac, there will never be a traffic problem. Power is available to the property as well as natural gas! Building plans are available as well. Unique rock outcroppings throughout the property. The area shares 97 acres of open space for the enjoyment of the owners.
