## PROPERTY DETAILS

Truly amazing! Extensively remodeled & updated brick ranch home in a quiet neighborhood. This home features a great room concept with the upgraded kitchen opens to the main level great room. Granite countertops, stainless steel appliances, newer paint & floor coverings, upgraded baths. The basement is also updated with a family room, kitchen, bedroom, 3/4 bath, laundry and storage. Cool AC for the warmest days and a relaxing covered patio for sitting outside in the private backyard. The convenient covered carport is perfect protection for your car. Close to schools, and easy access to DIA, downtown, Anschutz Medical Campus and DTC. No expense has been spared on this beautiful home for the long time owner - not a fix and flip! This immaculate home is the nicest you'll find for under \$400,000 - must see to appreciate! Previously went under contract in 2 days, and that contract fell. Don't delay!
