## PROPERTY DETAILS

Welcome, the Rocky Mountain Lifestyle awaits you! Picture yourself sipping your morning coffee as the clouds float by. This home has one of the best views in Evergreen with beautiful rock outcroppings, aspen, ponderosa, and spruce trees. It's conveniently located near hiking, skiing (8 miles), dining, fishing, and other amenities. Perfect for anyone seeking mountain serenity in a friendly neighborhood setting, and still only a 35 minute drive to Denver. Beautiful & open chef's kitchen is a dream for entertaining. The oversized master suite is located on its own private level. Each of the four bedrooms has fantastic views and walk-in closets. There are four updated bathrooms, enough space for everyone in your family. The walkout basement could easily become a mother-in-law suite, or fantastic private guest space. Vaulted ceilings and wood floors throughout the main and upper level of the home provide a warm and open feeling. Enjoy the natural wood-burning fireplace in the living room, or it's also connected for gas should that be your preference. The basement has an additional pellet burning stove, perfect for cozy winter nights. In addition to the front and back decks, there is a private sun patio, great for s'mores and stargazing. Enjoy viewing abundant woodland wildlife from the comfort of your beautiful new home. Don't miss your chance to own this property!
