## PROPERTY DETAILS

Welcome Home! Stylish solid brick ranch in the highly sought after, Athmar Park neighborhood. Fully renovated but still maintaining original charm and pride of ownership is evident throughout. Open floor plan and lots of light with hardwood floors, granite counters, stainless steel appliances, beautiful chef's island, new cabinets, and plenty of kitchen storage. Outside is just as desirable, professionally landscaped backyard (2018), raised garden bed is ready for planting, a dual-zone sprinkler system, and a large patio that's private and great for entertaining. New central AC system (2019). Two car detached garage with storage space. A short 500-foot walk to beautiful Huston Lake Park with easy access to Platte River Trail and downtown Denver. By far one of the most thoughtful and classy homes on this quiet street in Athmar Park.
