Good Samaritan Society - Loveland Village offers a breathtaking view of the majestic Rocky Mountains from our beautifully landscaped 75-acre campus. We put your needs first when it comes to a retirement lifestyle. We offer a full range of housing and healthcare services for those 55 and older. From housing with services to long-term, memory, and post-acute rehab care, our residents enjoy the beautiful park-like setting featuring ponds, walking trails, and beautiful gardens.

You can rely on our staff to be available in case you need us while we provide everything you need to live comfortably in a maintenance-free environment. Whether you are considering downsizing to a twin home or apartment, need a little help from friends, or have a need for health care and therapy, we can help. Our campus offers walking trails, a therapy gym, a state-of-the-art fitness center, pool and spa, chapel, game room, and many more amenities for all of our residents. During a daily stroll, you may find one of our many residents busy in the garden or fishing on the dock. You'll enjoy our variety of daily menu options prepared fresh in our kitchen.

Staff at the Village work hard to provide the highest quality of care, while the leadership at Loveland Village is dedicated to the Good Samaritan Society's mission of sharing God's love. We want to enhance the lives of our residents by giving attention to the details of everyday life. Our work is rooted in the philosophy that everyone deserves to feel loved, valued, and at peace, and be treated with dignity.

At Good Samaritan Society - Loveland, we want to assist you by providing the educational, emotional and spiritual support you need while making complex decisions of healthcare and services. One of our caring staff members will contact you and answer any questions you may have, and schedule an appointment for you to visit us.
