PROPERTY DETAILS

This nearly new custom home sits upon an expansive lot surrounded by century-old pines & year-round natural beauty. Generous in scale & intimate in comfort, this opulent property offers lavish proportions of remarkable livability. Six bedrooms, six bathrooms include a luxurious main floor master suite w spa-inspired master bathroom. Large windows, a courtyard & three outdoor decks ensure one can never lose sight of the breathtaking mountain views surrounding this Castle Rock retreat. This high-end home includes a dream kitchen w a Subzero fridge & Decor appliances & butler's pantry w 150 bottle wine refrigerator. The walk-out lower level is an entertainer's dream featuring 10 ft. ceilings, a large rec room w wet bar & theater. Conveniently located halfway between downtown Denver and CO Springs, this private sanctuary presents an opportunity to experience CO as you've always dreamed of. Welcome home.
