PROPERTY DETAILS

This spectacular, well cared for, 5 bedroom, 4 bathroom, 2 story home in Golden, CO features an open floor plan, gourmet kitchen with granite counter tops, double oven, gas stove, 42" cherry cabinets, dramatic entry with cathedral windows, formal dining room, and main floor office. The second floor features a large master bedroom with a 5 piece bath with 2 walk-in closets, and a jetted tub, three additional large bedrooms, two bathrooms and a loft with built in desk. The fully finished walk-out basement includes a tv/rec room, game room, bedroom, bathroom and storage space. This former model home has too many custom features to list.

Enjoy both city and mountain views from this beautiful and well maintained home, situated in a very desirable community in Golden, bordering Arvada, with convenient access to Boulder, and the I-70 corridor for quick access to the city or the mountains!. Come bask in the warmth of the beautiful home and you will want to call it your own!
